Dear Colleague,

We remember you that the trial transmissions with the Hellcommune-transmitter on wavelength 3550 metres (84.5 kc/s) shall be held on the 2nd, the 3rd and the 4th of May at 9-9.10, 15-15.10 and 21-21.10 GMT. We shall be very obliged with a short report and a small part of the tape you received.

With many thanks for your assistance, we remain,

sincerely yours,

H.H.J. van de Pol,  
General Manager.
